

iPhone 8 Plus -

iPhone 8 Plus is the latest smartphone from Apple, featuring a dual-camera system, wireless charging, and a stainless steel design. It is available in three colors: Space Gray, Gold, and Silver. The phone is powered by the A18 Bionic chip, which provides fast performance and excellent battery life. It also features a new health sensor called the 'Health Watch' sensor, which is designed to monitor heart rate and blood oxygen levels. The phone is water-resistant and has a durable aluminum case. It is available in two sizes: 128GB and 256GB. The price of the iPhone 8 Plus starts at \$799 for the 128GB model and \$899 for the 256GB model. It is available at Apple stores and on the Apple website.
